## Why Join CPSA?

Your membership matters. For over 80 years, the CT Package Stores Association (CPSA) has been the unwavering advocate for independent Connecticut package stores. With a dedicated, year-round staff and government affairs team at your side, CPSA has secured critical legislative victories that safeguard your business, and translate directly to a more stable and profitable future for your store. Some recent achievements include:

- successfully **blocked the expansion of wine sales to supermarkets** twice, since 2021
- **prevented box store beer sales**
- **intervened to help defeat a lawsuit against CT**, which would have overturned laws protecting independently owned businesses
- **prevented the addition of wine and spirits bottles to the bottle bill**, saving retailers time, money, and valuable floor space

Beyond legislative wins, CPSA offers **time-sensitive updates on regulatory and legislative issues impacting your business**. You also gain membership to the American Beverage Licensees (ABL), our national association for retailer interests in Washington D.C. Join discussions through ABL prompted by liquor retailers across the U.S., sharing knowledge on local and federal liquor issues.

CPSA also provides basic **legal advice through our association attorney**, who has served as Chair of the General Law Committee, which oversees liquor law in CT. ## Legislative Appeal

CPSA has been made aware of an **aggressive push for the sale of beer in box stores** in the coming legislative session. The issue, which has garnered support, **would allow beer sales in virtually any retail business** that sales a small percentage of food items, **adding thousands of additional beer permits in every municipality across Connecticut**. We need your support to prepare for a tough battle in the coming year. **Every bit of support helps, as CPSA prepares to go up against the biggest retail chains in the country to protect your businesses**. Please consider making a donation with your membership.
